**Standard:** 24-hour local monitoring for burglar, fire and sprinkler system.

You may think your business won't be touched by crime. According to the U.S. Dept. of Justice, the work place is the scene of almost one million violent crimes every year.

As an Authorized Honeywell Commercial System Security Dealer, Security 7 Alarms helps protect your business and your employees.

**Standard:** 24-hour local monitoring for burglar, fire and sprinkler system.

An important feature of our Honeywell Industrial System is partition capabilities, which limit employees and vendors to certain areas of your facility.

This can also be achieved in a passive application by using access control systems that limit the number of employees who can enter restricted areas during business hours and lets you log who and when someone accesses those areas.
